**PROPOSED CONDITIONS OF RELEASE**

COMES NOW, Mr. Fontenot, the Petitioner, by and through undersigned counsel and proposes conditions for release for the pendency of appeal. Counsel has been unable to get opposing counsel's opinion on proposed conditions. The conditions for release proposed by Mr. Fontenot during the pendency of the Respondent's appeal are:

- 1) He will be released on his own recognizance.
- 2) He will maintain residence in the State of Oklahoma.
- 3) He will report in person upon release to the U.S. Probation Office for the Northern District of Oklahoma. He will report thereafter to the U.S. Probation Office as instructed by that office.
- 4) He will not leave the State of Oklahoma without the prior approval of the U.S. Probation Office for the Northern District of Oklahoma.
- 5) He will not use illegal drugs.
- 6) He will not possess firearms or dangerous weapons.

7) He will participate in a program of mental health treatment, to include inpatient, with a treatment provider and on a schedule approved by the U.S. Probation Office in the Northern District of Oklahoma.

The Court of Appeals for the Tenth Circuit held that Mr. Fontenot may seek bond while the appeal is pending. This Court is charged with determining the conditions necessary to allow for Mr. Fontenot's release while the appeal continues. Pursuant to Federal Rule of Appellate Procedure 23(c), “[w]hile a decision ordering the release of a prisoner is under review, the prisoner must — unless the court or judge rendering the decision, or the court of appeals, or the Supreme Court, or a judge or justice of either court orders otherwise — be released on personal recognizance, with or without surety.” Mr. Fontenot is indigent, therefore, release on his own recognizance is merited. The conditions set forth herein fairly alleviate any security concerns for the Court and Respondent. Mr. Fontenot requests that this Court impose the conditions of release requested and if there are concerns about those conditions, order a hearing to discuss those issues.
